

14 President Terrace, Macleay Island

Beautifully renovated Queenslander

**** UNDER APPLICATION ****

This charming home is situated in President Terrace, one of the few areas in the Island with larger blocks and only one street from the water. It has been tastefully renovated and has beautiful high, eleven foot ceilings and hoop pine floors. It has all the charm and character of an older home with the original fretworks.

The two bedrooms are really spacious and the front bedroom opens out from French doors to a deck area overlooking the garden area.

The kitchen leads through to the living/dining area and there are French Doors leading out from this area to a small decking area which has not been renovated.

The bathroom has been fully modernised and has a large double shower. There is lots of room for a car and storage under the house.

There is a 10000 gallon rainwater tank for all your garden needs and the whole property is fully fenced.
