

69 Beelong St, Macleay Island

Peaceful waterfront living

A sweeping lawn to the waters edge with palm trees and a view of Stradbroke Island. This is definitely island living.

The house is a neat and tidy three bedroom house, all bedrooms have built in robes. There is carpet throughout the bedrooms and lounge room. The lounge/kitchen/dining area face East towards the water, lawn and Stradbroke Island.

There is a separate toilet off the laundry and a simple bathroom with a shower over the bath.

A large deck runs the length of the house, so you can recline on a lazy afternoon admiring the view and listening to the birds.

There is storage under the house to fit a low car. The water tank means the garden can receive as much attention as you desire.

This is a peaceful part of Macleay Island and ideal for those seeking island living at its best.
