

26 President Tce, Macleay Island

Well worth an inspection, great area, lovely home.

This lovely low set home, with only a few stairs, is situated in a popular neighbourhood of large blocks just one street back from the waterfront.

The home has polished timber floors throughout and though it has the feel of a Queenslander style of home it has modern fittings and fixtures. There is a beautiful kitchen and the bathroom has a separate deep modern bathtub as well as a separate shower.

The decks take advantage of the gorgeous position. This really is a delightful home and well worth an inspection, you wont be disappointed.

Handy to the Bowls Club and the local shopping centre, this is a good central position on a paved street within easy reach of all island amenities.

This is a nice leafy neighbourhood with an acreage estate feel about it.

Macleay Island is a delight - beautiful, friendly, affordable, just 15 minutes by passenger ferry to Redland Bay but it feels like you are a whole world apart.
