## Absolutely Stunning 3,210m2 Waterfront Block

Absolutely stunning 3,210m2 waterfront block. East facing with views out to North Stradbroke Island, an excellent position to watch the sun rise and the boats going past, while capturing the easterly breeze.

There is an amazing sandy beachfront and a deep water channel not far from the shore.

This is a very tidy block with only a few trees dotted around, plenty of clear open space to build a wonderful home in a private setting. From the newly sealed road the contour down to the water is gentle allowing ease of access.

There really is nothing else on Macleay Island that compares, it is definitely one to see if you value space, privacy and views to die for.

For more information or assistance with viewing please call Sally or Belinda any time.
