

Low-Set Home On Super Sized Block With Sandy White Beachfront!

Absolutely stunning position on the eastern side of the island. A generous sized parcel of land, 2400m² of lush green grass and pretty established gardens with a gentle, easing slope down to the sandy white foreshore. With unobstructed bay views out to North Stradbroke Island, watch the sun rise out on your full length deck with a coffee in hand.

This low-set home has been lovingly maintained over the many years of ownership. Inside is light, bright, clean and fresh with nice high ceilings and sea views from all living areas.

With beautiful polished timber floors and neutral colour scheme throughout, this is a home you could move into straight away.

There are three good sized bedrooms with built-in wardrobes and the open plan lounge, kitchen and dining stretch right the way across the waterfront side of the house.

Weeroona Ave is a unique street with most properties in the area being semi acreage blocks, the perfect place for those who value peace and a little bit of privacy.
