Waterfront Escape

This waterfront cottage is just the place to come home and relax on the waters edge. Push your boat into Moreton Bay from your front yard. Upstairs on the mezzanine floor is the main bedroom where you can wake up and see the sunrise over the water. Downstairs is another bedroom for your guests with a built in wardrobe. The kitchen is newly renovated with an open feel that invites the master chef within. There is a bathroom/laundry combined. The bathroom has a claw foot tub with a shower over the top.

The lounge and dining area open out to the waterfront and has a terrific fireplace for those cold winter nights.

Best of both worlds, great spot, great home and terrific lifestyle.
