

**28 Lonicera St, Macleay Island**

## Beautifully built two bedroom home

This two bedroom home has had some serious thought put into it.

The walls and ceiling are made from Insulpanel so it is warm in winter and cool in summer. All the windows are tinted and screened and there are ceiling fans in both bedrooms and the living room.

The living room also has air conditioning that is positioned in such a way that it can also cool down or warm up the two bedrooms and bathroom easily.

The flooring is vinyl planks. This means it easy to clean, it is noise resistant and it adds to the insulation. It is also very hard to scratch so it has minimal wear and tear.

The kitchen has an induction cook top and rangehood.

The bathroom is modern and spacious with a lovely bath and the laundry is tucked away in a convenient cupboard.

There is a car port off the side of the house and a shed out the back. The yard is low maintenance with no lawn and it is fully fenced.

It is close to the school, shops and organic markets.
