54 Koonwarra Street, Macleay Island

Quiet waterfront home

This three bedroom home has a deck running along the length of the house with beautiful views to Stradbroke Island.

Two of the bedrooms have sliding glass doors opening on to the deck and water views.

The kitchen/dining/lounge are all open to the deck. The kitchen has a solid wood bench that is beautifully polished.

The garden is designed for very little maintenance. There is a carport on one side of the house and out the back is a path to the water front.

This is a great home for a couple.

The house has lots of interesting touches and is in a lovely private and quiet position overlooking the bay.
