A Diamond in the rough! - Make me shine again!

Wow...what an awesome opportunity to take this grand ol lady and make her shine bright like a diamond.

She's tall, she has some awesome original features and some solid concrete legs!

Framed from the street by some sweeping palms and drive through access to the rear of the 1012m2 block, the chocolate coloured soil awaiting a fabulous vegetable garden.

Within easy walk to the town centre but yet set far enough away for peace and quiet.

There is work here to be done, no doubt about it but those with the right vision will transform this tired ol gal in to an absolute show stopper!

VJ Walls, solid timber flooring, lead light door panels....dreamy.
