

29 Calm Waters Crescent, Macleay Island

832M2 WATERFRONT BLOCK

Located in the village like area of Perulpa Island, this is one of very few waterfront blocks currently available.

With a very desirable north/south aspect, it has been cleared of the underbrush leaving a fantastic canvas for you to create your dream home whilst taking advantage of the lovely sea breezes.

A site assessment was commissioned previously resulting in the potential to build a three bedroom home.

Don't miss this opportunity.
