22 Cowes Street, Macleay Island

Stunning waterfront home

This stunning waterfront property is located in a quiet location in a little cul-de-sac where no one goes.

A beautiful 1275 square metre block that fronts on to the bay looking towards Lamb and Karragarra Islands and further towards the hills of North Stradbroke Island.

The home is very modern with an industrial sort of a feeling and floor to ceiling glass taking in the stunning surrounds. Very private with lots of trees and palms surrounding the home.

Downstairs there is a modern open kitchen with stainless appliances looking over the huge glass windows to the water. This opens into the massive living area.

There is a full size bathroom downstairs, and a nook which would make a great office.
