

## Lovely home - two bathrooms - fully fenced

A near new home with three bedrooms (or two bedrooms and an office) and two bathrooms. The lounge room and bedrooms have ceiling fans and there are plenty of screened windows and screen doors so the breeze can flow through the house. Two of the bedrooms have built in wardrobes. The ceilings are high and the kitchen faces north over the front yard. The yard is fully fenced and has a carport. There is a good sized shed in the back yard.

There is a deck at the rear of the house and a paved patio area off one of the bedrooms.
