Gorgeous Cottage In A Peaceful Location - Priced To Sell

This gorgeous cottage is situated on a very generous 658m2 corner block halfway down the Island within minutes of the water and the Wahine boat ramp.

With currently no adjacent neighbours, the feeling when you enter the property is serene with nothing but the sound of bird song.

From the gate you can see the gardens are mature and well kept with raised vegetable beds already established and lovely trees.

Entering the property is a real surprise. The home is deceptively spacious with a choice of two living and dining areas as well as a central kitchen. The kitchen is in great condition with electric cooking and a dishwasher.

From the hall you enter 3 very spacious Queen sized sunny bedrooms all with robes or cupboards. There is a bathroom with shower.

You access the rear garden from the spacious lounge which takes you down to the fully fenced garden. Your kids and animals can play out here safely as the car port is beyond the gate. There is also a small lock up shed at the back of the carport.

There is a 5000L water tank to take care of the gardens as well as storage under the house for your tools.

Note: The house colour on the first pictures looks lighter than it is, see the last few photos for actual colour a sunny day on the island!)

All in all this property represents incredible value for money and in this HOT
