WATERFRONT - VIEWS TO THE EAST AND WEST

This lovely architecturally designed home is situated in a lovely Russell Island precinct surrounded by quality homes. The views from this property are arguably some of the best on the Island and the home is within easy walking distance to the Russell Island Bowls Club.

The brick garage is on the road side of the property and there is a path through landscaped gardens taking you to the upper level of the house.

There is a spacious study near the entry and then three steps take you down to the living area where you capture the fabulous views of the water.

There is also a dining area which looks out at the water and a lovely timber kitchen with a large walk in pantry. The next level contains three huge bedrooms with built in robes and a family two way bathroom.

A great price for a home in this position. Come for a day, stay for a life time!
