The Southern Moreton Bay Islands are still great value and things are moving ahead over here! New jetties, eco resorts, 2 new barges getting built, more people moving over permanently to escape the rat race and enjoy a better lifestyle.

Russell Island has a primary school, police station, Supa IGA, RSL, Bowls club, restaurants, cafe's, hardware store, petrol station, pharmacy, doctors, post office, community garden, arts centre, skate ramp and more... Ferries inter-island are free, and only a 15 minute direct trip to Redland Bay. Many people here work from home, work locally or commute to the mainland every day. If you haven't been here before, I recommend you come and check it out!
