

North End Russell Island Bargain Price

Here's your chance to secure a 577m2 block on the north end of Russell for a great price. Todman street is a no through road with some really lovely new houses on it. There is a large conservation zoning area a few blocks away at the end of the street.

Number 6 Todman to the north is council owned - there is an opportunity to buy it from council to make a double block or enjoy no neighbours to the north.

There is an electricity pole on the corner of the block, and access to mains water on other side of the road.

At only 1km to the Russell Island State School, and 1.3km to the Supa IGA supermarket, shops and passenger ferry, this is an excellent opportunity to purchase a block at a great price on the fast growing northern end of Russell Island.

New multi million dollar ferry terminals are being built right now and there are plans for the redevelopment of Weinam Creek, the departure point from Redland Bay Brisbane and the gateway to the beautiful Southern Moreton Bay Islands.
