T Barclay

Level building pad, mostly cleared block on Eastern side

This 546m² block has a lovely elevated outlook with a large building pad already levelled and only 4 trees that could be retained to provide an established feel. One of the trees has had pruning work done to it so it would not be a danger to any future house. Block has recently had money spent to clear the under growth.

There is a power pole on the corner of the block and mains water runs along the front boundary. NBN fibre internet to the curb means fast internet if you work from home or to stream movies etc

1.7km to the Wahine drive boat ramp - that's only 4 mins away. Only a 9 min drive to the Supa IGA, amenities and the ferry terminal. Situated on the eastern side of the island.
